I have read the Supplementary Regulations issued for this event, The CIK-FIA International Karting Regulations, the CIK-FIA Technical Regulations, The FIA International Sporting Code in force, and the Series, Sporting Technical Regulations, and agree to be bound by them. I declare that I am physically and mentally fit to take part in the event and I am competent to do so. I understand the nature and type of competition and the potential risk inherent with motor sport and agree to accept that risk. You are warned that Motor Sport is potentially dangerous and that you are present in the vicinity of the course entirely at your own risk. A full and final release and waiver of liability and all claims that I have or may in the future have against any person(s), entities, or organization(s). Associated in any way with the event, including the track owners and lessees, promoters, sanctioning bodies, racing associations, or any subdivision thereof, and others who give recommendations, directions, or instructions. I agree not to sue for any loss, injury, cost or damage of any form or type, howsoever caused or arising, and whether directly or indirectly from my participation on the track. I agree all RGMCMC media staff have the right to take photos and videos and use those as they wish and see fit.

I understand that should I, at the time of the event, be suffering from any disability whether permanent or temporary which is likely to affect prejudicially my normal control of my kart, I may not take part unless I have declared such disability to the Clerk of the Course who has, following such declaration, issued a written statement which permits me to do so. I have read and understood the above declaration.
